## Foreword

The MINI Club of Ireland has had an extraordinary few years.

Since it's launch in June 2006, the Club has had over 100 well attended and successful events, 900 web-members, 100+ full members, opened a text line **Vodafone 087 664 MINI**, arranged over 30 Club Discounts with a vast number of suppliers, had the scoop on the R56 launch, attended MINI United, given away some serious prizes, developed genuine friendships with Clubs abroad, and ended up as the Club of the year in Modern MINI Magazine. And in 2010, we went live with a whole new website. Not too bad you might agree!

Of course, we never rest on our laurels, and to give something back to those members who have given us so much, we'd love to show you just how much fun you're going to have on our MINIs Touring Ireland event.

The incredible Moll's Gap awaits

Most MINI events involve quite an amount of driving, and little time to socialise, and from our own experience, car clubs are not just about cars. They're also about the people, and the genuine friendships that come as part of the overall package. On previous events we've organised, we've seen a strong desire for great roads to drive, great nights to enjoy, and as much fun as possible in between. Our job here at the MCOI has been to identify weak points in other car orientated events, to recognise the natural riches Ireland offers as a motoring vacation resource, and to build a weekend break that will be the highlight of anyone's motoring calendar. To that end, we present MINIs Touring Ireland, MTI - Modern MINI Magazine's Event of the Year!

MTI is a three day event, based in Ireland, the natural habitat of the MINI. While there are a few rules to adhere to during the event, there is one rule you must remember above all else: **You are to enjoy yourself!**

## MTI 3 Day Itinerary

### Day 1:

We meet at Joe Duffy MINI on the M50, Dublin City. From here, you will receive your Event Pack, which includes some MINI goodies, refreshments, a detailed Roadbook, an itinerary for the weekend ahead, emergency phone numbers, and the opportunity to buy some limited edition MTI clothing and merchandise to support our chosen Charity.

We leave the Dealership with an Escort, and take in the scenic Wicklow mountain roads until we cross the County Bounds and enter the midlands - taking in the Galtee mountain roads and views, before taking a brief Coffee stop in a secret location. We'll also be taking in some more unique routes on day 1, but we'll be keeping those, and the location of the Hotel for night one a mystery until the day of the event. You'll be pleasantly surprised!

The evening of Day 1 will be a relaxed social evening, enjoying the local music, food, and drink.

### Day 2:

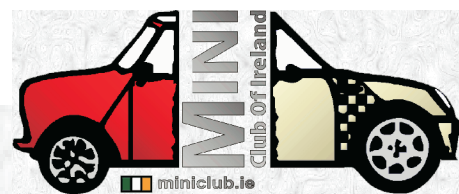

We'll be picking up the pace on Day 2, and heading to the Sunny South West of Ireland, and into the glorious countryside of West Cork and Kerry, taking in famous roads such as the Coopermines, and Cods Head, not to mention some of the old Rally stages that our club members love pushing themselves on. It's not for the faint of heart, and while our goal for the weekend is to test your MINIs, on Day 2, we'll see if your minds are up for it too!

Expect a session of mammoth enjoyment, and enough memories to fill a scrap book to show your friends for years to come.

### Day 3:

Our last day of motoring in Co. Kerry will take in some of the most scenic roads Ireland has to offer, you will be mesmerised by the sights laid out before you, and be impressed by how easily your MINI will demonstrate it's ability to tackle the toughest of roads. Day 3 will remind you that you're not just special, you're a MINI pilot.

The evening of Day 3 is our high point. Expect a wild party, with great food, mighty craic, one of Ireland's best live rock bands, raffles, auctions, spot prizes, and a finishers award for everyone who completes the weekend's tour.

There is no club in Ireland that can offer a MINI owner as much as the MINI Club of Ireland, and we're convinced this event will raise motoring holidays to a new level. We're Ireland's busiest MINI club, and more importantly, we're Ireland's friendliest MINI club.

Finally, we'd like to thank you for your incredible support since 2006. As a newly formed club we are always stunned by the enthusiasm, good humour, and strong encouragement each and every member has given us. You, everyone of you, have proved to us that there is a niche for a Club that puts the fun back in driving the best little cars in the world, and as long as you continue to give us your blessing, we'll make sure your love affair with your MINI continues right along with it.

Let's MINI!
